# OUR HISTORY

Established in 1996 as India's first comprehensive healthcare management consultancy to growing into Asia's leading hospital planning and management consultancy, Hosmac offers an array of tangible need-based healthcare solutions, right from conceptualizing to commissioning of a facility.

# WHO WE ARE

We are healthcare strategists and facility planners, consisting of an integrated team of Doctors, Hospital Administrators, Medical Planners, Architects, Engineers, Interior Designers, Bio-medical Experts, Chartered Accountants, IT specialists and Communication experts under one roof.

# WHAT WE DO

We focus on healthcare and healthcare only  
We provide comprehensive healthcare solutions.  
We bring the best of old and new into a facility.  
We understand healthcare as a business too.  
We make it easier for healthcare providers.  
We help you with your vision.
